

# MUSIC, MEALS & MOORE

*The cooking event for all senses!*

David E. Moore, the award-winning international vocalist, made his European debut in 1993 in Stuttgart, Germany. Since that time he has performed 17 leading roles in nine different countries. His audiences have included Kings and Queens, Heads of State, US ambassadors, and a Pope.

Credited as having one of today's most spectacular voices, thousands have risen to their feet for his inspiring, powerhouse performances. His performance at the Olympic closing ceremony in Athens, Greece in 2004 was just one of many career highlights.

David has headlined innumerable solo concerts and has also shared the stage with some music greats like Joe Cocker, Tracy Chapman, Tina Turner, and Jessye Norman, to name a few.

**What many don't know is that behind his incredible voice and commanding presence is an equally talented and passionate culinarian.**

## Music meets taste!

Taught to cook by his great-great grandmother, a former slave from New Orleans, David cooks with the utmost skill and an extraordinary sense of taste influenced by his world travels. But the most important ingredient is: love.

His longtime dream of combining his two passions resulted in "Music, Meals & Moore". Throughout the evening courses are created in tandem with stories or songs. The personal anecdotes, which are as interesting as the dishes being prepared, combined with the superb cuisine provide for an extraordinary evening. Finally, the event is crowned with a goodnight concert.

Maybe, and that is another specialty, surprise guests stop by to garnish the evening. Singing partners, cooking colleagues, actors, comedians, or the baker from next door are all welcome, because they all have something in common with David; they love excellent entertainment and delicious food.

David's incredible talents, together with those of your host location, the „home team“, unify to create a special kind of magic. It is truly a one of a kind experience that satisfies all the senses.

**"Music, Meals & Moore" - an evening not to be missed.**
